

Learning Spaces

2020/2021 School Year In-Person Program

- Professionally Supervised Learning Pods
- Peer and Facilitator Support + Special Needs
- Onsite Certified District Teachers
- Program Works with Local/National Curriculum
- Tutoring & Enrichment Supplemental Programs
- Limited/Distanced Classrooms
- Expanding to More San Diego Neighborhood Campuses
- Operated by 501c(3) Nonprofit
- Flexible Hours from 8AM to 5PM

San Diego Learning Spaces are not only alternative campuses for students but, in many cases, a superior learning environment with peer groups, socialization and minimal distractions. Students can remain distanced within cohort groups with limited mask requirements and dedicated staff keeping them focused on their distance learning curriculum and supervised break times. Flexible drop off & pick up options centrally located with more campuses opening soon!

Ideal for working parents and those looking for an environment more conducive to learning. We also believe social skills and friendships are just as important as scholastics. Supplemental programs include Musical Theater, Guitar, Athletics, Filmmaking, Coding, Culinary, Gardening as well as group tutoring sessions per grade level. **From just \$25/day.**
